Should you decide to extend your sailing adventure you will receive a special itinerary advising your embarkation and disembarkation dates and times.

## Getting to Airlie Beach

Visitors to Airlie Beach use two main airports: Great Barrier Reef Airport, Hamilton Island and Whitsunday Coast Airport, Proserpine. If you arrive at Proserpine Airport, a *Juste En Joy* car will pick you up and transport you free of charge to the boat or to your accommodation.

Transfers from Hamilton Island to Airlie Beach are available by catamaran (40 minutes), helicopter, light aircraft or seaplane (15 minutes). Transfers from Proserpine to Airlie Beach are available by coach or ferry (40 minutes). Queensland Rail services such as the Tilt Train and several coach services also operate between Proserpine and coastal centres from Brisbane to Cairns.

## On arrival

If you decide to make your own way to Airlie Beach please contact your guide, who will either arrange to collect you from your accommodation or meet you at Abel Point Marina prior to departure. Phone 07 4946 5422.

## Snorkelling equipment

Prior to departure your guide will take you to a dive shop where you can select a mask and fins that fit comfortably for snorkelling. We will pay the hire fees.
